Week 10 Term 3

Principals Message

I wanted to finish the term by thanking everyone for their continued involvement in our beautiful little school. Without the support of our parents we wouldn't be able to run all the programs we have at such a great success. I want to thank our amazing students for such a productive school term. We have achieved so much and I am looking forward to our time together in term 4. We have started so many little projects/programs and have numerous new happenings next term. Next term we will introduce personalised learning plans for all students with parent contribution, changes to our homework program and a new attendance reward day for all students whose attendance stays above 85% for the term. Some of our highlights this term include our numerous excursions, the talent show and the disco thanks to our Leadership Team.

I will be away the first week of term 4, Ms Hankinson will be relieving while I'm away. Mrs Johnson will also be away for the first three weeks, Mrs Harre from Grafton High will be relieving in the office. Thank you.
