Week 5 Term 4

12 November 2020

Principal's Message

This week the students participated in a variety of activities including Surf Groms, Relay for Life and a Stormbirds reconnect session. The students have represented our school well and you should be very proud of their commitment and attitude towards their schooling. The remaining weeks of the year are going to be busy for all of us! Next week the students will participate in student based First Aid lessons and view the 'Film By Online Festival' featuring student films across NSW K-6.

Book Week Parade is in two weeks time, students may dress up as any book character they wish, this year's theme is 'Curious Creatures'.

Renee Cooper - Principal

Remembrance Day

Remembrance Day has been observed since the end of the First World War to remember armed forces members who have died in the line of duty. Our students made poppies to wear and conducted a ceremony with a minutes silence at 11am.

Parent Surveys

Thank you to the parents who have returned their survey forms. If you haven't as yet, could you please complete them and return no later than Friday 20th November.

Swim & Gym

Our Swim & Gym program continues this Friday, all students will travel to the South Grafton Pool by bus to participate in swim and gym lessons. Please ensure your child brings along their swimmers, towel, goggles, a pair of thongs, spare clothes (if needed) and a plastic bag for their wet clothes. The pool staff have requested that students with long hair tie it back in a ponytail.

Kindergarten Transition

Our Kindergarten transition program is underway. It was so lovely to see such eager faces in the classroom. They participated in a range of activities and our current students made sure they felt right at home at school! The transition program will run every Tuesday morning for 5 weeks. If you know of any families with children who are starting school next year please encourage them to contact the school.
