Week 6 Term 4

19 November 2020

Principal's Message

We are more than half way through term 4, with only 3 1/2 weeks to go. The students are busy finishing off units of work, starting on the school magazine and participating in swim & gym.

This week we saw Joe sit the Opportunity Class placement test for year 5/2021, we will know early in the new year whether he was successful. Well done for taking the exam Joe.

Yesterday the school received some fantastic news that Kaitlynne gained entry into the Platinum Class at South Grafton High School for 2021. We were informed that all the applications were of a high standard and the Platinum Class is provided to students who exhibit best behaviour, attendance and attitude to work. Congratulations Kaitlynne! The Kindergarten Transition Program was once again a huge success, with all students settling into the classroom setting. Thank you to Ms Hankinson for organising the transition.

The students in year 3-6 viewed the 'Film By Festival' this week. They enjoyed watching the films submitted and feel that their films would be a great addition to this festival.

Have a great weekend,
Renee Cooper

First Aid Training

The students participated in a First Aid Training lesson this week as part of the PDHPE unit. The students learnt how to apply first aid, e.g. perform CPR, treat a snake bite and manage a broken bone. It was great to see such eager faces willing to learn what to do in a health emergency. Thank you to Mrs Rainbow for organising this lesson.

Book Character Parade

The Book Character Parade will be held next Tuesday 24 November. Students are encouraged to come to school dressed as their favourite book character. Please don't go to great expense for costumes, any clothes at home will suffice. P&C will provide a lunch pack on the day (sausage sizzle, drink & sweet treats) for \$5.

An order form will be sent home on Monday.

New sports equipment

Our school recently received new basketball backboards and hoops as well as new soccer goals. It is great to see the updates in the school grounds. The students have been testing their skills and are delighted with the new equipment.
