Week 5 Term 4

10 November 2022

Dear Parents and Carers,

Well, that first half of the term has flown! I hope this finds you all well, we have had a few cases of the 'tummy bug' over the past week. Teachers and students are ensuring we wash and sanitise our hands at school throughout the day and we encourage students to continue with handwashing at home especially before eating.

Our students have loved their first couple of intensive swimming lessons and are gaining confidence each time they attend. We hope all our students continue to practice swimming throughout the summer months under supervision of parents or carers. Water safety and swimming skills are essential for all our children, we live in a beautiful area with wonderful waterways that are inviting to swim in.

Yesterday, we welcomed Mr Hade to Nymboida Public School. Mr Hade is a relief teacher who will be working in a network of 4 schools (Nymboida, Coutts Crossing, Gillwinga and Copmanhurst) over the next 3 years. We have loved getting to know Mr Hade and look forward to him being part of our school community.

Mr Worley is adding the final touches to our movie submission in the Big River Public Schools Film Festival for this year. Mr Worley has worked with all our students over many weeks to design and film our movie submission. These kinds of projects are not possible without dedicated staff and many hours of planning, filming and editing. Thank you Mr Worley, I wish you and our students all the best for the film festival!

Mrs Hoade.
Rel. Principal.
