Week 3 Term 3

4 August 2022

Dear Parents and Carers,

This week we celebrate Education Week! Students at NPS have been busy with some fun and exciting activities. Pamela Denise has begun working with students individually to begin constructing our Yarning Circle mosaics. She has designed a wonderful art work for our seating area, developed from the students' ideas and interests that were explored in her last workshop with them.

Creative planning continues to develop for our short movie entry in the Big River Public Schools Film Festival next term. Our students are continuing to work with Mr Worley and Mr Finlay on developing ideas and how they can be portrayed on the big screen.

Tomorrow, NPS will attend the exciting NAIDOC celebrations at Gillwinga PS! We are very excited to take the bus into town and join in the festivities with GPS and also see Miss Cooper!

We will celebrate our Education Week open day at NPS during Week 6 in combination with our Book Character Parade and mid-term lunch with our families. Our classrooms will be open for you to view student work and join in an activity with them. More information will be sent home shortly.

Enjoy your weekend and this fine weather.

Kind regards,

Mrs Hoade,

Rel. Principal

This session can focus on a range of topics such as discussing 'change & loss' (the Seasons for Growth and Stormbirds program), supporting children following trauma and parenting support.
