### PRINCIPAL'S MESSAGE

Dear Parents and Carers,

This is the last newsletter of the year as we only have two more weeks of school, and they will be action-packed (see below!). The last day of school for students is Friday 15 December. Staff will be at school until Tuesday, 19th December.

We look forward to seeing everyone at Presentation Day and celebrating the achievements of our students and saying farewell to Alexia and Sonny. In week 10, we will also send home academic reports and the school magazine.

You may have noticed our brand-spanking new demountable. We have been very lucky to obtain this extra space and it will most likely become the K-2 classroom in 2024. It is due to be a functioning space day 1 of Term 1, 2024 and we are very excited to have more room.

Looking forward to seeing everyone at Presentation Day.

#### Intensive Swimming

Next Monday, intensive swimming lessons will start at the South Grafton Pool. Students will travel by bus each day to the pool and return to school. Please ensure your child has their swimming attire with them each day. They can come to school in their school uniform with their swimmers underneath. They are also to bring a swim bag for wet gear, towel, goggles and
