PRINCIPAL'S MESSAGE

Dear Parents and Carers,

Small Schools Big Impact Concert

The decision was made at the last minute to postpone the SSBI concert due to the weather. It was absolutely pouring with rain in town, so we could understand the decision made. We have been advised that there will be a new date scheduled which we should find out tomorrow. We will let you all know in due course.

Boutique Schools Writing Day - Cowper PS

On Monday we will be travelling to Cowper for the Boutique Schools Writing Day. We will join Cowper PS, Baryugil PS and Tucabia PS at the event. Notes were sent home earlier this week. There are still some outstanding permission notes so please return them by tomorrow.

Next Wednesday 6 September, students will be travelling by bus to attend the Wooli PS Traditional Games. The students will participate in a fun day of modified athletics and traditional games. Other small schools from the Clarence Valley will also be attending.

Please return permission notes and canteen orders as soon as possible.

School Phone Outage

As you may all be aware, the school phone system was hit by lightning on Tuesday, and we are now without any landline. Our school mobile - 0499 580 289 is operational, and we can be contacted by mobile or email. We will let you know when we are back up and running with our landline.

Kindergarten Orientation

Our Kindergarten Orientation Program begins next term. If you know of any families new to the area who have school age children, please let them know about it. The transition program is designed to help children approach the start of school next year with confidence and make the transition to school easier. We look forward to welcoming our new Kindergarten students to our school.

School happenings

Painting

We have had the painters here this week giving our office area a facelift. We hope to have it finished by next week.

Bicycle Track

We have plans underway for a bicycle (BMX) track at the front of the school. This is very exciting news for us! It will be wonderful to have something like this available for our school and community to use. The works should start at the beginning of next term all going well.

New Building

We are also excited to advise that we will be getting another classroom (demountable) at the school! Works are underway to install this early in Term 4. This will be wonderful for our school as our space is very limited and we will be able to have large classrooms for both classes.

Have a great week,
Maddison Campbell
